# INTRODUCTION

**At the Liverpool FC Foundation, we pride ourselves on delivering high quality teaching and coaching both in schools and the community.**

For 20 years Liverpool Football Club has worked with young people of all ages and abilities from a diverse range of backgrounds to promote physical activity, team work, social inclusion, self confidence and health and wellbeing.

In line with the new national curriculum framework, the Liverpool FC Foundation PE and School Sports Programme offers highly qualified and experienced practitioners who can work alongside school staff or independently to deliver national curriculum lessons and sport specific extra curricular clubs in both mainstream and specialist educational setting.

# PHYSICAL EDUCATION CURRICULUM

The Liverpool FC Foundation PE and School Sport Curriculum has been designed in line with national standards of best practice to provide opportunities for pupils to learn, develop and understand the importance and application of 'skills' in both competitive and non-competitive environments.

Our staff are highly qualified and trained to deliver the national curriculum for PE. They are equipped to plan, deliver and assess Physical Education at Foundation Level, Key Stage 1 and Key Stage 2.

“ I cannot praise the Liverpool FC Foundation coaches highly enough for the difference they have made to the children in Lansbury Bridge. Their commitment to their profession and motivation to give our children the best possible experience is fantastic and without their enthusiasm I know our children would not have got as much out of the sessions as they have ”

# SCHEMES OF WORK

Deriving from Department for Education guidance and expectations, our units of work specifically identify key learning objectives which develop all young people's physical literacy in order for them to engage in lifelong participation.

Within set topics, our School Sport Coaches design their lessons to ensure pupils fundamental movement skills; agility, balance, co-ordination and speed, are continually developed and challenged.

Building on this foundation of fundamental movement skills, lessons will cover one of three topics: Athletic Activities, Invasion Games, Striking and Fielding Games.

Combined with the individual lesson content, we provide pupils with a structured, comprehensive and enjoyable learning experience of school sport and PE.

Once signed up, your school will receive a copy of our School Sports Curriculum highlighting learning outcomes for each lesson. Our Coaches will plan weekly lessons that will be shared with school before lessons occur. This aspect of planning and support can assist with your workforce development.

# EXTRA CURRICULAR CLUBS

Our extra curricular football clubs can be delivered as breakfast, lunchtime or after-school clubs. These clubs are a great way of engaging young people with additional exercise opportunities. For those young people who have a desire to increase their footballing ability, these clubs are an ideal occasion for them to develop skills and competence. The delivery of these clubs is included in the cost of your curricular programme and must be either before or after the curriculum sessions.

“ The after-school football clubs were highly regarded by both the staff supporting the coaches and the pupils who attended ”

# SPORTS DAY

The Liverpool FC Foundation team are committed to developing engagement in sport for all pupils in your school. Part of this commitment is the school sports day offer. Based on the individual needs of your school, we can create a sports day package which meets your schools aims. This can be in the traditional form including activities such as egg and spoon races, the Olympic format with athletic activities or a bespoke package to suit your school's needs. If this package is of interest to your school, a Liverpool FC Foundation representative will meet with your school PE Co-ordinator to discuss further options. Price is available upon application and is based on school size and requirements.

# TOURNAMENTS AND FESTIVALS

Does your school have ambitious sports teams? If so, our Coaches are able to support staff members in school sports team development. This support ranges from team coaching and session planning to fixture management.

## INTER-SCHOOLS

Each term, the Liverpool FC Foundation deliver inter-school tournaments for schools taking part within our programme. These tournaments are well organised and a great opportunity for young people to show their skills and compete against their peers from other schools. Organised by the Liverpool FC Foundation, these tournaments are an optional extra for your school to enjoy.

## PREMIER LEAGUE SCHOOLS TOURNAMENT

The Premier League Schools Tournament is a national event for pupils in year 5/6. Schools from across the UK compete in regional tournaments and qualifiers, each hosted by a Premier League Club, hoping for the chance to compete at a Premier League stadium in the Grand Final. If your school were to enter and win our regional tournament, they would receive coaching from the Liverpool FC Foundation and go on to represent your school and Liverpool Football Club in the Grand Final. Previous finals have been held at Anfield Stadium, Emirates Stadium and the Etihad Stadium.

## REDUCATE

Fun and enjoyment underpins every educational programme we offer. Our aim is to complement the excellent work schools do by providing them with an opportunity to visit an exciting and inspirational environment at Liverpool Football Club. Pupils from all key stages are welcome and schools/colleges can choose from a wide variety of subjects which we offer or can request tailor made sessions which would be specifically suitable for the needs of their students.

National Curriculum subjects:

- Maths
- English
- History
- Geography

Additional choice of topics include:

- Modern Foreign Languages
- Football Globalisation
- Healthy Living
- Employability Skills
- Regeneration
- Recycling
- Leisure/Tourism

Additionally at special seasonal times of the year we offer Reward and Achievement days such as our 'Christmas Cracker'. Half-term and holiday activities are available on request.

Prices for groups of up to 25 include refreshments, rewards/prizes and a commemorative photograph of the visit are as follows:

- Half day visit (9.45am-12.00pm) - £150
- Full day visit (9.45am-2.15pm) - £250

As part of their Liverpool Football Club experience, students will be able to tour Anfield Stadium and visit The Liverpool FC Story, our interactive museum.

## MIGHTY RED ASSEMBLY

As part of your package, the Club's mascot, Mighty Red, and his companion can bring the magic of Anfield and his love for Liverpool Football Club to your school.

Mighty's interactive, high energy assemblies are the perfect way to teach children the importance of team work, self confidence and health and wellbeing both on and off the pitch.

The Liverpool FC Foundation can provide a school assembly with Mighty Red free with any booking.
