

Meet Mighty Red

Liverpool FC's Official Mascot

I'm Liverpool FC's No1 fan. I'm a super sporty Liver Bird who loves nothing more than a good game of footy with my mates.

I'm fun-loving, a bit of a show off and sometimes a little bit cheeky!

I love being part of the LFC family, I'm loyal and friendly to everyone who's part of it.

Mighty Red has 5 spikes on his head and neck. Each spike is for how many times LFC have won the European Cup

New Balance make LFC's Football kits

Two wristbands one on each wrist. One says Mighty Red and the other says Y.N.W.A; which stands for 'You'll Never Walk Alone'

7 spikes on each arm plus 4 spikes on my tail = 18. This is how many times LFC have won the League
